

NOTICE OF FY25 HUD COC FUNDING POSTPONEMENT

December 9, 2025

Late yesterday afternoon, December 8, 2025, HUD withdrew the announcement of funding for FY25 CoC. The notice that HUD posted on its web site is attached. It appears from reading the attached notice that the NOFO is going to be revised and re-released. Once we receive notification from HUD on their reissued, modified NOFO for FY25 CoC funding, we will notify the community and post it on our website.

Continuum of Care Program

FY 25 CoC NOFO Update

The Department has withdrawn a Notice of Funding Opportunity (NOFO) with respect to the Continuum of Care (CoC) grant program. This withdrawal will allow the Department to make appropriate revisions to the NOFO, and the Department intends to do so. In the previous FY 24-25 NOFO, the Department reserved the right to make changes to the NOFO instead of processing renewals for a variety of reasons, including to accommodate a new CoC or Youth Homelessness Demonstration Program (YHDP) priority or new funding source. The Department still intends to exercise this discretion and make changes to the previously issued CoC NOFO to account for new priorities. HUD anticipates reissuing a modified NOFO well in advance of the deadline for obligation of available Fiscal Year 2025 funds.

Overview

The Continuum of Care (CoC) Program (24 CFR part 578) (<https://www.ecfr.gov/current/title-24/subtitle-B/chapter-V/subchapter-C/part-578>) is designed to promote a community-wide commitment to the goal of ending homelessness: to provide funding for efforts by nonprofit providers, states, Indian Tribes or tribally designated housing entities (as defined in section 4 of the Native American Housing Assistance and Self-Determination Act of 1996 (25 U.S.C. 4103) (TDHES)), and local governments to quickly rehouse homeless individuals, families, persons fleeing domestic violence, dating violence, sexual assault, and stalking, and youth while minimizing the trauma and displacement caused by homelessness; to promote access to and effective utilization of mainstream programs by homeless individuals and families, and to optimize self-sufficiency among those experiencing homelessness.
